

MD196K Front Attachments

MANUAL FRONT HITCH KIT - Standard-duty front lifting system. Channel is 3-3/8" tall. Comes complete with dual sets of "lift assist" springs, lift handle and all hardware.

29 lbs. of force on the lift handle will raise a 95 lb. Dozer Blade, 50 lb. Bucket Mouth and a "186 lb. load of dirt, rock, etc. That's over 330 lbs.!

DOZER BLADE KIT - 42" wide x 15" high x 7GA solid steel, 3 position adjustable blade with replaceable cutting edge. Slotted bolt holes on cutting edge, allow a "slight angle" for driveway maintenance. Angles left and right by moving 1 bolt. Requires Manual Front Hitch.

BUCKET MOUTH KIT - Attaches to MD196K-DB44 Dozer Blade with 2 pins! Forms a "mouth" with the Blade and becomes a "clam shell" style bucket. Handles a couple 100 lbs. of dirt, gravel, etc. Dumps with a simple hand lever, not shown.

BLADE DRAWBAR KIT - Mounts to "top lip" of DB44 Dozer Blade. 9-1/4" wide drawbar with 45° bend. Use for medium-duty pulling. Has 3/4" hole for tow hook or chain clevis. Requires drilling four 5/16" holes in Blade.

MD196K Rear Attachments

MANUAL REAR HITCH KIT - Standard-duty “sleeve hitch” rear lifting system. Has 2 “lift-assist” springs to aide in lifting attachments. 2 lbs. of lift handle force will raise 24lb. DR30

Measures 3" tall.

DOUBLE RIPPER KIT - Two 16" tall x 2" wide x 1/2" thick “hardened steel” ripping teeth mounted to heavy-duty steel channel. Great for loosening

hard packed driveways and landscaping. Design allows to flip tooth for greater wear.

HITCH ADAPTER KIT - Class III trailer hitch mounts to Manual Rear Hitch with two bolts. Tube ID measures 2", and allows use of dozens of rear attachments, such as: log carriers, garden carts, etc. (Does NOT include ball hitch).

LOG CRANE KIT - Heavy-duty rear mounted crane. Great for pulling logs! Has self-contained drawbar with 3/4" hole for ball hitch.

Mounitng holes allow for many 3rd party winch designs.

LOG CRANE ADAPTER / DRAWBAR KIT - Required for use of LW228 Log Crane when a Manual Rear Hitch is mounted. Has 3/4" hole for ball hitch. (Can also be used alone when you need a drawbar and have a Rear Hitch mounted).

MANUAL WINCH KIT - Manual utility winch, 800 lb. pull capacity, 5/32" dia. x 25 ft. long cable with hook. (Requires LW228 Log Crane or mounting location provided by customer).

* Unpainted attachment.
